What You Need To Enroll

Enrolling as an Individual

If you are an individual or sole proprietor/single person business, get started by signing in with your Apple ID with two-factor authentication turned on. You'll need to provide basic personal information, including your legal name and address.

Enrolling as an Organization

If you're enrolling your organization, you'll need an Apple ID with two-factor authentication turned on, as well as the following to get started:

A D-U-N-S® Number

Your organization must have a D-U-N-S Number so that we can verify your organization's identity and legal entity status. These unique nine-digit numbers are assigned by Dun & Bradstreet and are widely used as standard business identifiers. You can check to see if your organization already has a D-U-N-S Number and request one if necessary. They are free in most jurisdictions. Learn more >

Legal Entity Status

Your organization must be a legal entity so that it can enter into contracts with Apple. We do not accept DBAs, fictitious businesses, trade names, or branches.

Legal Binding Authority

As the person enrolling your organization in the Apple Developer Program, you must have the legal authority to bind your organization to legal agreements. You must be the organization's owner/founder, executive team member, senior project lead, or have legal authority granted to you by a senior employee.

A Website

Your organization's website must be publicly available and the domain name must be associated with your organization.

Apple Developer Program 许可协议

PLEASE READ THE FOLLOWING APPLE DEVELOPER PROGRAM LICENSE AGREEMENT TERMS AND CONDITIONS CAREFULLY BEFORE DOWNLOADING OR USING THE APPLE SOFTWARE OR APPLE SERVICES. THESE TERMS AND CONDITIONS CONSTITUTE A LEGAL AGREEMENT BETWEEN YOU AND APPLE.

Apple Developer Program License Agreement

Purpose

You would like to use the Apple Software (as defined below) to develop one or more Applications (as defined below) for Apple-branded products. Apple is willing to grant You a limited license to use the Apple Software and Services provided to You under this Program to develop and test Your Applications on the terms and conditions set forth in this Agreement.

Applications developed under this Agreement for iOS Products, Apple Watch, or Apple TV can be distributed in four ways: (1) through the App Store, if selected by Apple, (2) through the B2B Program area of the App Store, if selected by Apple, (3) on a limited basis for use on Registered Devices (as defined below), and (4) for beta testing through TestFlight. Applications developed for macOS can be distributed through the App Store, if selected by Apple, or separately distributed under this Agreement.

By checking this box I confirm that I have read and agree to be bound by the Apple Developer Program License
 Agreement above. If I am agreeing on behalf of my company, I represent and warrant that I have legal authority
 to bind my company to the terms of such Agreement above. I also confirm that I am of the legal age of majority
 in the jurisdiction in which I reside (at least 18 years of age in many countries).

17. After payment goes through, you will need to wait 3-5 working days for your *Developer Account* to be approved. Please check the email address linked to your *Apple ID* during this time: Apple will send your account approval email there. When the *Certificates, Identifiers & Profiles* section of your account indicates that it has *Developer Account* status, this can be used normally. Your *Developer Account* will require renewal in after one year. Please remember to renew it in advance, otherwise your app will be automatically removed from the Apple Store, which may have adverse effects on you and/ your app' s users.

If necessary, you can contact Apple Developer Services directly:
